SUB-DIV REVIEW BD.
% MIKE POSTON

DEAR SIRS:

AT THESE ECONMIC TIMES I WISH TO WITHDRAW MY SKETCH PLATS AS PRESENTED TO YOUR BOARD - FOR REVIEW. I HAVE HAD KEVIN HEFNER MOVE THE PROPOSED CONNECTING ST. 40' TO ELIMINATE THE HEADLITE PROBLEM.

AT THIS TIME I CANNOT AFFORD THE OTHER IMPROVEMENTS YOU SUGGESTED. I MET WITH OUR COUNTY MGR. (TOM LUNDY), MY NEIGHBOR, ABOUT TRYING FOR A STIMLUS GRANT FOR WATER-SEWER ETC. FOR THIS PROPERTY. I WILL BE 80 YRS OLD THIS NOV.

MR. JACKIE EUBANKS SUGGESTED MAYBE COULD GO WITH 25 LOTS AT LATER DATE - AT PRESENT I ONLY PLAN FOR 3 LOTS, I ONLY WANTED TO DO THE FIVE LOTS THAT HAVE ~~ONLY~~ ALREADY HAD PERK TESTED AND PASSED BY MR. FELPS WITH WATER TAPS AND ST. TO DOT. SPECS.

I AM TOO OLD AND DO NOT HAVE FUNDS AVAILABLE AT PRESENT, MAYBE IF ECONOMY CHANGES I CAN DO MORE LATER.

THANKS FOR YOUR CONSIDERATION

YOURS TRULY
Hendil S. Isenhour

P.S. I CAN WILL THIS TO MY 2 SONS DALLAS AND VINCE ISENHOUR
