WORK Piedmont Talent Recruitment

Thursday, October 6 | 1:00 - 3:00 pm
Catawba Valley Community Development Center
2664 Hwy 70 SE, Hickory

Goodwill's Graduate Services Program is assisting county governments in Alexander, Burke, Catawba and Caldwell in finding talented job candidates to fill the large number of open positions available.

Job seekers are invited to attend the event and interview on-site that day with hiring managers from all four county governments. Community agencies including Goodwill, Catawba Valley Community College and Western Piedmont Council of Governments will also be on-site to provide help with job search, career planning, and other resources.

Job seekers are encouraged to complete an online application before attending the event so that your information will be on file and available to the hiring managers during your interview. Job seekers who do not complete the online application should bring printed resume copies.

Visit http://piedmont.theworkexperts.org for more information.
