

Catawba Management LLC is the owner of approximately 23.7 acres which adjoins the 2 sections under rezoning request. Catawba Management LLC leases their property to Cargo Transporters, Inc. for use as a truck terminal, office and maintenance facility. Cargo Transporters operates approximately 500 tractors and 1600 trailers providing over 650 jobs within the community. With the successful rezoning from residential to commercial use, Catawba Management will lease the additional acreage to Cargo Transporters for future expansion needs. Please let me know if I can provide any further details concerning our rezoning request.
