

## HUMAN SERVICES

The Human Services' budget of \$52,177,196 is 27.12 percent of total expenditures for this fiscal year. A significant portion of the Human Services' budget is funded by State and Federal sources. Social Services' expenditures of \$38,585,312 go to support the human needs, and the Public Health Department is projected to expend \$12,422,131 for the specialized public health services it offers. Other Human Resources include the Medical Examiner and is funded at \$100,000 this fiscal year. \$1,069,753 is for Mental Health contracted services.

The dependence of these services on Federal and State grants makes the budget process very difficult. Therefore, the County has a conservative approach to anticipated revenues and a realistic approach to service levels which cushion the impact of Federal and State reductions in funding and service levels.
