

# REGISTER OF DEEDS AUTOMATION & PRESERVATION FUND

## Fund Services

In 2002, new legislation created an Automation Enhancement and Preservation Fund and expanded the uniform fees for services charged by the Register of Deeds. This increase in fees is to be used to enhance the standards for instruments to be registered in the Office of the Register of Deeds. Revenues in this fund are to be spent on computer and imaging technology enhancements in the Register of Deeds Office. Revenues are based on 10 percent of the total for Marriage Licenses, Recording of Legal Instruments, UCC Filing Fees, and Miscellaneous Revenues. The remaining 90 percent of these revenues are recorded in the Register of Deeds cost center in the General Fund.
