Describe work to be done under this permit						
Description of work						
□ New Building □ Addition □ Altera	tion Mixed Add/Alter Demolition	☐ Accessory Structure				
☐ Interior Demo /Removal ☐ Re-Ro ☐ Footing/Found ☐ Shell-In ☐ NC Re	oof Pier Repairs ehab Up-fit Retaining Wa	Swimming Pool				
Trades needed for this project: Building	☐ Electrical ☐ Mechanical	Plumbing				
Building Data: Construction Type (please circle)): I-A I-B II-A II-B III-A III-B I	V V-A V-B				
Occupancy(s) Type & Square Footage (List all that apply with the associated square footage):						
Occupancy: Square footage:	Occupancy: Square	e footage:				
Occupancy: Square footage:	Occupancy: Square	e footage:				
If this project includes ALTERATIONS to an existing building, what is the cost of the project? \$						
I hereby certify that all information in this application is correct and all work will comply with the State Building Codes and all other applicable State and local laws and ordinances and regulations. I understand that a Certificate of Occupancy is required prior to occupying the premises and the Building Services Department will be notified of any changes in the approved plans and specifications for the project permitted herein. Appeal to cost- Cost of Construction for New Building square footage will be based on a standard rate within the Catawba County Permitting Software as calculated currently for the Building Permit. Appeal to the cost calculated may be submitted in the form of a certified bid that has been accepted for construction for the submitted project that also includes all designer fees. Costs that are more than 10% in difference will be adjusted up or down as needed.						
Expired plans: All plans not resubmitted or perrexpired and will require a new submittal with rev		w will be considered
