DATE: June 12, 2017

SUBJECT: Mountain Creek Park Update

Staff and Gary Wirth of Wirth and Associates will update the Mountain Creek Park power point presentation reviewed at the Board's January 27, 2017 Subcommittee Meeting and update Plan's progress.

Staff anticipates conducting a public forum in July. The purpose of the forum is to receive any final public input. After the public forum, Wirth and Associates will present the Plan to the Catawba Land Conservancy and then to the Clear Water Trust Fund Board prior to it being submitted to the Board of Commissioners for final approval.
