The Emergency Services division is also responsible for Rescue Squads and Volunteer Fire Departments. The E-911 Communications Center provides emergency and administrative communications for the citizens of Catawba County by placing them in touch with public safety and related government services agencies.

The Public Safety function budget is \$30,093,688 representing 12.5% of all expenditures for the fiscal year. The departments work to provide a safe, secure community and to provide emergency and convalescent medical transportation to medical care facilities. The services provided are both salary and equipment intensive and increased costs generally reflect equipment replacements.
