

Make a difference in someone's life...

✓ Impact

Very few jobs offer the opportunity to impact people's lives as that of telecommunicator. With every call comes the potential of a life or death situation. The calm voice and response of the telecommunicator reassures the caller that help is on the way. The response of the telecommunicator constantly makes a difference in someone's life.

✓ Innovation

The Catawba County E911 Communications Center employs the latest technology to locate callers and dispatch appropriate personnel. A state of the art phone system is being installed and that will be followed by an automated vehicle locating and dispatching system. The Center is moving to be one of the first Next Generation E911 centers in the nation.

✓ Professional Growth

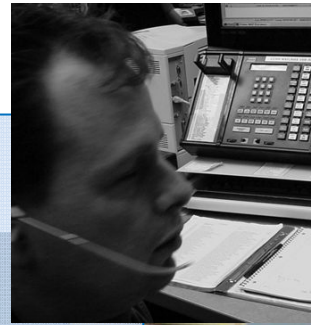

We provide continuous training and professional development for our staff. All staff is certified with the NC Department of Justice Telecommunicator Certification, the Division of Criminal Information Operator Certification and Emergency Medical Dispatcher Certification.

✓ Stability & Benefits

Because we are part of local government, we are able to offer comprehensive benefits to our staff, including; consistent salary, paid vacation, insurance, sick days, longevity pay, retirement, short and long term disability, flexible spending accounts, and more.

Make a difference in someone's life . . .
