

**UTILITIES & ENGINEERING ADMINISTRATION
FISCAL YEAR 2008 - 2009**

Statement of Purpose

Coordinate and manage Solid Waste, Utilities & Engineering, Building Services, Plan Review, and Permit Center in order that the citizens of Catawba County can live, work, and recreate in a clean and safe environment. The approach will be economically viable and environmentally friendly.

Outcomes

1. Manage and develop public-private partnerships and funding in conjunction with the development of the EcoComplex and Resource Recovery Facility as established by Board of Commissioner goals for FY 2008. The continued development of the EcoComplex project will increase Catawba County's tax base and create jobs as measured by tracking results of partnership agreements.
2. Ensure citizens receive quality customer service from all Utilities and Engineering Staff by:
 - a. Maintaining a customer service satisfaction rating of 95% or above as evidenced by customer survey reports.
 - b. Resolving 98% of all customer service complaints within 24 hours as measured by recorded complaints and follow up actions.
 - c. Participating in a minimum of eight (8) hours of training in customer service-related issues such as communication, skill building and tact, diffusion of adversarial situations and problem resolution. The objective is to perform duties with exceptional customer service skills as measured by customer survey reports.
3. To increase citizen awareness provide education and awareness about the functions of Utilities and Engineering to citizens, employees, and other interested parties through the continued efforts of the Departments' Informational Officer as measured by educational tracking logs.
