

Catawba County Department of Utilities and Engineering Local Code Compliance Program

Reporting a Code Compliance Concern

There are multiple ways to inform the Local Code Compliance Division of a situation, concern, or complaint; in person, via telephone or fax, or electronically.

- **Reporting in Person:** Feel free to stop by our office which is located at the Catawba County Government Center at 100A South West Blvd, Newton, on the second floor in the Utilities and Engineering Office ([click here for directions to the Government Center](#)).
- **Reporting by Telephone:** Instead of stopping by our office in person, give us a call at 828-465-8261, we will forward you to the Code Compliance Technician who will be glad to take your concern over the phone. We will ask you a series of questions in order to complete the form for you.
- **Reporting by Fax:** You may choose to report your concern by faxing the completed form to 828-464-5216, which is located in the Utilities and Engineering Office.
- **Reporting Electronically:** From the Local Code Compliance Website at <http://www.catawbacountync.gov/depts/u&e/codecomplianceform.asp> click on the Local Code Compliance tab, Report a Concern.

It is not required, but you may choose to provide your contact information which will allow us to follow up with you about your concern. However, should you choose not to provide us with this information, we will not be able to discuss the situation with you.
