

Hi...I'm Shakil.....

I enjoy football, basketball and weightlifting. I am the Team Captain of the Junior Varsity football team. I play Defensive End, I'm on the Kickoff and receiving team.

I'm in the 10th grade, on the A/B honor roll and I work hard in school. My goal is to attend College so I can begin a career in Social Work.

I enjoy spending time with friends and I return home by curfew. I keep my room very neat and clean. I have my own style and enjoy picking out my clothes.

I am looking for a young, energetic, Couple willing to keep me connected to my African American Heritage and willing to support my interests and goals.

I have occasional visits and telephone contact with my birth family.

Although I can't return to my birth family, I would like to continue my calls and occasional visits.

I would like to remain in the Kannapolis area.
