

## Training for Adoption Competency (TAC) Application

TAC training is designed for Mental Health Clinicians and has an in-depth clinical focus designed to build and strengthen clinical skills. Master level professionals in the adoption field are also encouraged to apply and can participate in all areas of the training. Consideration made to bachelor level professionals with at least five years of adoption related experience (will not be eligible for case consultation).

**\*\*Please attach a copy of your résumé.**

The TAC training is a 72-hour training program that is over 11 classroom sessions, and 1 at home module. The training begins at 9:00 a.m. and ends at 4:30 p.m. The training requires assignments be completed the Tuesday before every scheduled session. This training requires you to complete a brief online survey after every session to provide valuable feedback to the program developers. After completion of classroom instruction monthly clinical case consultation will occur with the Center for Adoption Support and Education.
