

CONGREGATIONS & COMMUNITY

Congregations & Community meets monthly to identify services that can be supported and/or provided by congregations throughout the community, determine the means by which these services will be provided, develop an ecumenical group of congregations for communicating and cooperatively meeting pressing human service needs in the Hickory area, by building bridges between community groups and congregations.

For more information about getting involved with Congregations & Community, please contact Eddie Broussard at ebroussard@ebroussard.com

Meetings are hosted at First Presbyterian Church of Hickory during the second Tuesday of each month from 11:30am-12:30pm

Sponsorship Opportunity

The tour is an event thanks to the efforts of volunteers, businesses, and churches throughout Catawba County.

If your business is interested in making an in-kind donation to the event, please contact:
Amanda Freeland
afreeland@catawbacountync.gov

Host a Table

Please consider hosting a table by inviting 9 others to join you for the event. They can be from your church, your business, or others you work with in the community. We would love to get representation for many different organizations so consider inviting colleagues outside of your organization. For example: if you are a real estate agent, consider inviting a mortgage broker you work with.

Volunteer Opportunity

If you, or your church or business, are interested in volunteering at the event, we are still looking for vehicles that would seat 15 or more people with drivers, a set up crew for the breakfast, and tour guides for the buses. Come be a part of a unique experience that will help connect local citizens to the agencies that serve our county's children!
Please contact Amanda Freeland at (828) 695-5648 to sign up.

WHY PARTICIPATE IN THIS TOUR?

You will see firsthand some of the services provided to Catawba County residents through local non-profit agencies.

On the tour you will hear stories and experiences of those who have benefited from services. With the current economy, many individuals, children and families receive these services with the assistance of partnerships throughout the community.

This tour offers a truly unique experience for participants to understand areas like homelessness, hunger, advocacy, safety, general wellbeing and learn about opportunities to partner with an agency meeting those needs.

Opportunities for involvement with the tour are listed on the back panel of this brochure.
