Registration Period Approaching for Low Income Energy Assistance Program (LIEAP) in Catawba County

This year's application period for the Low Income Energy Assistance Program (LIEAP) in Catawba County will be from November 5th through November 16th. LIEAP provide a one-time payment in early February to help eligible households with their heating costs. Households must apply each year during the application period in order to qualify.

To qualify, a household must; apply during the application period, have at least one U.S. citizen or eligible alien, have monthly income at or below 110% of the poverty level, have reserve funds at or below \$2200, and must be responsible for its heating bills. LIEAP budgets are calculated based on income for the month of October each year. Applicants must be prepared to provide check stubs for all household members for the entire month of October 2007. Verification must be provided for social security numbers, birthdates, and immigration status for all members of the applying household. Applicants must also verify the type of heat used in the household. For those living in public housing where heat cost are included in the rent, applicants must provide verification that the household has paid an excess toward heating costs at that address within the last 12 months.
