

# CAROLINA YARDS & NEIGHBORHOODS

Learn how to create an attractive and healthy yard by working with North Carolina's environment rather than against it.

Recycling	Right Plant, Right Place	Watering Efficiently
Protecting Water	Using Mulch	Fertilizing Appropriately
Managing Yard Pests	Reducing Stormwater Runoff	Attracting Wildlife

May 21 & 23, 2013

6:00 PM

\$20 Registration fee – checks payable to “Catawba County”

At the Western Piedmont Council of Governments Office
