***Avoid scary accidents this Halloween!***

**Follow our 13 safety tips to keep your little goblins safe this Halloween.**

2. Avoid costumes with masks, wigs, floppy hats or eye patches that block vision.
3. Avoid pointed props such as spears, swords or wands that endanger other children's eyes.
4. Wear bright, reflective clothing or have reflective patches somewhere on the costume if you are going out at night in your costume.
5. Carry a bright flashlight to illuminate sidewalks, steps and paths.
6. No one should drive while wearing a mask.
7. Obey all traffic signals, both as a pedestrian and a driver.
8. Younger children should be accompanied by an adult while traveling about the neighborhood. Older children should trick-or-treat in groups.

10. Grownups should inspect all trick-or-treat items before allowing children to have them.
11. Be sure the path and stairs to your front door are well illuminated and clear of obstacles.
