For Immediate Release:

How do you want your public library to work for you?

Catawba County Library System Strategic Plan Survey and Public Meeting Notice

Over the last 10 months, the Catawba County Library System has worked closely with the community to develop a strategic plan that reflects community needs. We gathered valuable input—from library customers and staff, our community planning committee, our city and county leadership, and from the overall community through interviews, public surveys, focus groups, and public forums.

The purpose of our Strategic Plan is to help guide the library system and drive our plans for growing library services over the next years to best meet the needs of our citizens.

As a valued community member, we need your input. Take a look at the draft and let us know what kind of community library you want to learn, work and play in. Let us know if we're getting it right by taking the survey at <https://www.surveymonkey.com/r/cclsdraft2015-2020strategicplan> (or by scanning the QR code below) and join us for discussion and dessert at our public meeting on Thursday, April 30, at 7 pm at the Main Library in Newton.

###

About: *The Catawba County Library System, headquartered in Newton, NC, serves the citizens of Catawba County with seven branches throughout the county and is a year-round, integral provider of early literacy and lifelong learning. In addition to traditional services, the system provides a full complement of computer and digital services, classes and support to bridge the digital divide, empower job seekers, and enhance community quality of life and economic health.*
