For Immediate Release February 10, 2009

Catawba County Public Health Now Accepting Credit and Debit Cards

They are used practically everywhere: at gas pumps, grocery stores, retail stores, and restaurants. Now, Catawba County Public Health is joining the long list of places that accept credit and debit cards.

Catawba County Public Health is now accepting MasterCard, Visa, and Discover for payments on all accounts. American Express is not accepted. Clinics including Foreign Travel, Child Health, Immunizations, Totally Teens, Prenatal, and Adult Health will accept the cards for payment.

“By accepting payments through the use of debit and credit cards for services offered to our clients we are providing them with the same convenience used by most businesses today,” said Sindie Sigmon, Business Manager for Catawba County Public Health. “The acceptance of debit and credit cards gives clients another option for making payment on the day of their service in addition to paying by cash, check, or money order.”

Catawba County Public Health began accepting debit and credit cards on January 9th 2009. For more information about the service please contact Public Health at 828-695-5800.
