Accepted forms of payment include cash, check, debit/credit, Medicare Part B (only), NC Medicaid, and NC HealthChoice. Medicare Advantage and other insurance plans will not be accepted; individuals may pay and then file with their insurers. State-supplied vaccine will be provided at no charge to eligible individuals, including:

- Children 6 months through 18 years of age who have Medicaid or no insurance
- Women with Family Planning Waiver coverage
- Uninsured women 19 years and older who are pregnant during flu season and are being served by Catawba County Public Health, including the on-site Prenatal Clinic operated by Catawba Valley Medical Center Maternity Services

Schedule and costs subject to change.
