

Communicable Disease Assistance

As an essential part of disease control efforts, Catawba County Public Health communicable disease nurses provide a channel of communication between Catawba County Public Health, private physicians as well as hospital and occupational infection control personnel.

To refer patients or obtain more information, please contact one of your local Communicable Disease/TB nurses:

Sarah Rhodes, RN
smrhodes@catawbacountync.gov
(828) 695-5835

Cheryl Gray, RN
chgray@catawbacountync.gov
(828) 695-5823

Debbie Johnson, RN
debbiee@catawbacountync.gov
(828) 695-5832

Meghan Bergman, RN
mbergman@catawbacountync.gov
(828) 695-5813
