

**Addendum #1**

**Request for Qualifications (RFQ)  
#16-1000  
Catawba County, Newton, NC  
Davis Road Water Project  
Engineering Services**

**July 14, 2015**

- 1. Question:** Are the contract documents available for review? If so, are PDFs available?

**Answer:** There are no contract documents for review. The selected firm will be asked to draft contract documents since that is what they will be enforcing with the contractor.

- 2. Question:** What is the project contract duration?

**Answer:** Project is expected to take 6 months or less to construct and then we will have a 12 month warranty with 11 month walkthrough/review.

- 3. Question:** Anticipated bid and start dates?

**Answer:** Design is out for permitting now. Hopefully project will be ready to bid by end of August/early September with construction starting sometime in October.

- 4. Question:** Cost estimate?

**Answer:** Construction estimate is \$750,000

- 5. Question:** Will the current engineer not be involved at all?

**Answer:** Current engineer will not be involved beyond construction bid.

- 6. Question:** Regarding the proposal, is there a page limit?

**Answer:** There is no page limit to proposal.
