

Addendum One (RFP # 18-1001)

Sale of Aggregate Materials and Subsequent Delivery

Catawba County, NC

August 7, 2017

Question:

What is the deadline for submitting proposal/qualifications?

Response:

Proposal/qualifications are to be submitted to the Purchasing office prior to 2:00 PM September 1, 2017.

Question:

My understanding is that if I buy this material from the quarry and resale it to you then I have to charge you sales tax on the material and the freight. My opinion is that the County should buy the material direct from the quarry and just bid out the haul and stockpiling. I do not have to charge sales tax on freight only when you are purchasing the material direct.

Response:

The County is requiring cost per ton without the sales tax. Vendor can add sales tax to the invoice. We appreciate your concern but the County will be reimbursed by the State of North Carolina for all sales tax paid.
