**ADDENDUM NO. 4**

The following clarifications, amendments, additions, deletions, revisions and modifications are hereby made a part of the Contract Documents, and change the original documents only in the manner and to the extent stated below:

**CLARIFICATIONS**

1. In reference to spec section 03 45 00, the spec talks about Lightweight Backup mix, is this a must use to the precastor or just an option?

Response: The requirements in the specification are to be followed.

2. In reference to spec section 03 45 00, for the finish and color refer to the arch precast book plate # 169 which is a medium sand blast, but under finishes they say the finish is acid-etched. Which one do they want?

Response: Finish is to be acid-etched.

**PROJECT MANUAL**

1. Section 01 23 00, "Alternates", please revise paragraph 3.1, D.2 to read "Alternate: Include photographic mural and installation as part of the alternate. *Graphic mural to be digitally printed (CMYK) custom graphic image on 3 mil opaque vinyl film with pressure-sensitive adhesive back applied to painted drywall.*"
