

NC STATE LANDFILL BANS

State environmental officials encourage North Carolinians to do their part to keep recyclable materials out of Landfills. Recycling is a proven job creator in North Carolina and if we always do our best to recycle, we will grow businesses in the state, recover valuable resources, save energy, reduce greenhouse gas emissions and protect landfill capacity.

Thank you for doing your part!

The following materials are BANNED from LANDFILL DISPOSAL in NC and MUST be RECYCLED.

Aluminum cans	Televisions
Antifreeze	White goods (appliances)
Computer equipment	Whole scrap tires
Lead acid batteries	Wooden pallets
Motor oil and filters	Yard waste
Plastic bottles	

Beverage containers from ABC permitted facilities.

Fluorescent lighting and Mercury thermostats are banned from disposal in any unlined landfill.

Reduce Reuse Recycle

For residents living in the MUNICIPAL areas of Catawba County, contact numbers are provided below to learn about municipal recycling.

City of Claremont	828-459-7009	Town of Brookford	828-322-4903
City of Conover	828-464-4808	Town of Catawba	828-241-2215
City of Hickory	828-323-7500	Town of Longview	828-322-3921
City of Newton	828-695-4294	Town of Maiden	828-428-5000

Educational Tours are offered at the **Catawba County EcoComplex** (Blackburn Landfill and Landfill Gas-to-Energy Facility) and **Republic Services Recycling Facility**

Residential Guide

Recycling and Solidwaste Services

RECYCLE All Together Now!

CURBSIDE COLLECTION SERVICES

The new **automated waste collection system** uses one type of roll-out cart that will be serviced by automated equipment.

This means that only one person will be operating the truck and no one will be riding on the back, making the process faster and safer.

The new roll-out carts approved and provided by Republic Services are stable and designed to not blow over, even in high winds. Lids are attached and snug-fitting to keep pests and animals out. The carts also have a smooth interior, making cleaning easier.

TO HELP SERVE YOU BETTER, REMEMBER TO:

- ◆ Please place all carts within 4 feet of the curb with the handle and wheels facing away from the street.
- ◆ Make sure the carts are at least 4 feet from trees, mailboxes, cars, other carts, yard waste, recyclables, or any other obstruction.
- ◆ Only items that are placed in the carts will be collected by the automated truck. **Due to safety reasons, please do not leave trash or garbage outside the roll-out carts.**
- ◆ If you regularly generate more household garbage and recycling than your roll-out carts will hold, call customer service at (828) 256-2158 to order an additional cart. Additional carts may be rented for \$1.50 per month.

To arrange for residential curbside service, please contact Republic Services at (828) 256-2158 and start enjoying the many benefits of the program!

ASPHALT SHINGLE RECYCLING

In an effort to conserve landfill airspace, Catawba County accepts clean residential asphalt tear-off shingles for recycling. Forms and other important information can be found on the County's website or at the Landfill scale house.

Clean residential asphalt tear-off shingles are accepted at \$21 per ton. The \$2 State Tax will not be applied to shingle loads that qualify for recycling.

Shingles from large commercial and industrial buildings are NOT accepted.

CONVENIENCE CENTER RECYCLING

Items accepted for Recycling at the five Convenience Centers is the same as the County's Curbside Recycling program, in addition to the following.

Additional items accepted for recycling at the Centers include:

Appliances—Blackburn
Cooking Oil—Blackburn
Scrap Metal – Blackburn
Antifreeze – Blackburn & Bethany
Motor Oil & Filters – Blackburn, Bethany, Cookville and Oxford.

Plastic Bag Recycling is offered at the Blackburn, Bethany, Cookville, Oxford and Sherrills Ford Convenience Centers.

Larger loads will be sent to the Landfill.

Recycling is free of charge!

WHAT ABOUT OTHER HARD-TO-RECYCLE MATERIALS?

HOUSEHOLD HAZARDOUS WASTE

The County provides an annual one-day collection event in November to accept residential household hazardous waste (HHW), free of charge. Visit the County's website for more event information at www.catawbacountync.gov/ue/hhwmain.asp

Examples of HHW materials accepted at the one-day events:

Pesticides, Herbicides, Fertilizers, Brake Fluid, Antifreeze, Gasoline, Kerosene, Motor Oil and Filters, Batteries, Lacquer, Paint Thinner, Solvents, Degreasers, Cleaners, Pool Chemicals, Fluorescent Bulbs and Tubes, Mercury, Microwaves, Electronics and Paint.

These items are not accepted:

Garbage, Tires, Commercial Waste, Ammunition, Explosives, Fire Extinguishers, Medical Waste, Radioactive Materials, Unknown Chemicals and Cylinders.

Missed the event? No problem, call STAT Inc at 828-396-2304, fees may apply.

MEDICATION DISPOSAL

Catawba County Law Enforcement Agencies, in partnership with Foothills Coalition, provide drop boxes at their facilities throughout the County for safe and proper disposal of medications and prescription drugs.

Drop Box Locations: Catawba County Sheriff's Office, Claremont, Conover, Hickory, Newton and Maiden.

BULKY WASTE, APPLIANCES AND SCRAP METAL

Bulky Waste (i.e. furniture, chairs, mattresses) is accepted at all County Convenience Centers and the Blackburn Landfill, fees apply.

Appliance and Scrap Metal recycling is available at the Blackburn Convenience Center only and the Blackburn Landfill year round during regular Landfill operating hours, free of charge.

Also, Republic Services will provide bulky waste collection service (only to existing customers) on an on-call basis for a fee of \$35 per pick up load.

Additionally, twice a year, to coincide with Litter Sweep Weeks, Republic will provide appliance collection at no charge to Republic's existing residential customers who request collection during Litter Sweep Weeks.

TIRES

Residents may bring up to five (5) tires per year to the Blackburn Landfill, Monday through Friday from 8:00am - 4:00pm, free of charge.

Tires must be free of mud and water and rims must be removed before disposing. Please call (704) 462-1348 for further instructions.

CURBSIDE COLLECTION SERVICES

For Residents Living in the unincorporated areas of Catawba County

Roll-out Cart Use:

GARBAGE

- ◆ Collection occurs **once a week**. Please place your cart at the curb (with the cart handle facing your house) the night before or by 6:00 a.m on your designated pickup day.
- ◆ Make sure all garbage is tied in plastic bags and fits inside roll-out carts with the lid closed.
- ◆ Please secure all dangerous materials in separate bags in your garbage including broken glass, light bulbs, and sharp pieces of metal. This will prevent injuries for you and the collection personnel.

RECYCLING

- ◆ Collection occurs **every other week** on your regularly scheduled garbage day. Please place your recycling cart at the curb (with the cart handle facing your house) the night before or by 6:00 a.m on your designated pickup day.
- ◆ Properly prepare your recyclables by rinsing and flattening (if possible).
- ◆ There is no need to bundle or bag items because the new single stream recycling system collects materials all together. No separation needed.

If your cart is damaged or stolen or if you have any questions about curbside services, please call Republic Services at 828-256-2158.

RECYCLING what's it all about?

Recycling is a way of diverting solid waste from our landfills. It's about turning trash into commodities. It's a responsible, cost effective way to help solve disposal problems. Recycling helps preserve our natural resources, reduce pollution and save energy.

Recycling Just Makes Sense!

What if I am unsure about whether something can be recycled?

Please contact the County's Waste Reduction Office at (828) 465-8217 or Republic Services at (828) 256-2158 or visit the County's website at www.catawbacountync.gov/ue.

Want Curbside Pickup?

For information on residential curbside recycling and garbage pickup, please contact Republic Services at 828-256-2158.

Curbside Service Fees:

Residential Recycler: \$18.88 monthly (Includes cart rental)

Non-Recycler: \$24.33 monthly (Includes cart rental)

Additional carts may be rented for \$1.50 per month.

Single Stream Recycling!

Since 2000, Catawba County has ranked among the top 5 counties in NC for recycling and now it's even easier to recycle through the new single stream recycling program! You can recycle the items listed below all together in your new recycling cart.

ALL IN ONE!

YES! Please place these items in your Recycling cart:

All Plastic Bottles and Containers (#1 – #7)
Wide-Mouth Plastic Containers (including lids)
Rigid Plastics
Mixed Paper, Newspapers with Inserts, Junk Mail,
Computer Paper, Office Paper, Color Paper and
Envelopes
Gift Wrapping Paper (without foil backing)
Magazines, Telephone Books, Paperback Books
Cardboard, Gift Boxes and Shoe Boxes
Pizza, Cereal and Food Boxes (no food debris)
Milk and Juice Cartons and Boxes (no liquid)
(all boxes should be flattened and placed into cart)
Aluminum Cans, Steel Cans (including lids)
Aluminum Foil (no food debris)
Glass Bottles and Jars (all colors)
Empty Aerosol Cans (no paint cans)

NO! Please do NOT put these items in your Recycling cart:

Plastic Bags, Plastic Film or Wrap
Food and Candy Wrappers
Styrofoam or Foam Packaging
Waxed Cardboard
Rubber or Tires
Hazardous Waste, Electronics and Paint
Medical Waste and Supplies
Glassware or Light Bulbs
Clothing or Fabric
Construction Debris or Yard Waste
Food Waste or Household Garbage

Plastic Bag Recycling!

Plastic bags can be recycled at the County's five Solidwaste Convenience Centers or at most major store outlets.

The following stores offer plastic bag recycling services:

Walmart, Target, Food Lion, Lowe's Foods, Lowes Home Improvement and Bi-Lo. Be sure to check your local grocery store!

HARD-TO-RECYCLE MATERIALS

Services offered to ALL Catawba County Residents

ELECTRONICS RECYCLING

A permanent residential electronics collection is available at the Blackburn Landfill year round, free of charge.

Call 704-462-1348 for hours.

Acceptable electronics include:

- ◆ Computers
- ◆ Laptops
- ◆ Printers
- ◆ Scanners
- ◆ Keyboards,
- ◆ Cables
- ◆ Mice
- ◆ TVs
- ◆ Cell Phones
- ◆ Stereos
- ◆ Speakers
- ◆ Cameras
- ◆ VCRs
- ◆ Copiers
- ◆ Calculators
- ◆ iPods
- ◆ Batteries
- ◆ Microwaves

PAINT RECYCLING

A permanent residential paint collection is available at the Blackburn Landfill year round, free of charge.

Call 704-462-1348 for hours.

Helpful hints: Empty paint cans (no liquid or lids) can be disposed in regular household garbage. Cans that contain paint can be left in a well-ventilated area to allow liquid to dry, and if necessary add mulch, sand, or kitty litter to accelerate the drying process. Once the paint is completely dry it can be disposed in the regular household garbage.

YARD WASTE

Leaves and grass clippings (debagged) are accepted at the Blackburn Landfill, free of charge.

Also, Republic Services provides a yard waste collection service (only to existing customers) to include small woody waste (wood and other yard waste such as leaves, vines, etc) on an on-call basis to customers for a fee of \$2 per 32-gallon bag collected. Bags must be biodegradable.

A minimum of \$20, or ten bags, would be required per service call.

CONSTRUCTION AND DEMOLITION RECYCLING

The C&D Landfill and Grinding area is located at the Blackburn Landfill. Asphalt, concrete, brick, and block are accepted for recycling at no charge only if material is free of steel reinforcements.

Clean and uncontaminated natural wooden pallets, furniture blocks, and wood are also recycled at the Blackburn Landfill at no charge.

For materials containing reinforcements and for treated or painted wood, refer to the fee schedule on the County's website for more information.
