

JOIN THE **GREEN** REVOLUTION

The Catawba County Commercial Recycling and Waste Reduction Partnership Program

About The Program

The Commercial Recycling and Waste Reduction Partnership program is a free and voluntary program to encourage local businesses to take proactive steps to improve their environmental record while improving their bottom-line. The program recognizes businesses within Catawba County that operate in an environmentally friendly manner by practicing the 4R's (reduce, reuse, recycle, rebuy). The program is sponsored by Catawba County Utilities and Engineering Department.

Rewards For Joining

- Receive a partnership decal to display in the workplace window.
- Access to networking with other businesses.
- Technical assistance from the Catawba County Utilities and Engineering Department and other resources.
- Access to recycling and waste reduction information for promotional materials.
- Recognition as a Partner on the Catawba County Utilities and Engineering website.
- Publicity through media outlets, educational events, presentations and forums.

Here's how to join

- Begin by making a commitment to recycling and waste reduction. Consider taking the Recycling at Work online pledge found at: americarecyclesday.org/pledge-recycling-at-work
- Establish a "Green Team".
- Download, complete and submit an application which must include a narrative of your company's environmental program and one or more significant goal(s) for the coming year in any of the following: recycling, waste reduction, reuse, buy recycled. (Annual renewal form required)
- Upon approval of original and renewal applications, Partners will receive a window decal to display at the workplace and recognition as a Partner on the Catawba County Utilities and Engineering website.
- (Optional) Agree to act as a mentor to another business, offering information and technical assistance including phone assistance, facility tours, etc.
- **JOIN NOW!**
