

2023-2024 Catawba County Cadet Schedule

Most meetings will be from 7pm-9pm. We will meet weekly starting September 11th 2023. Deputy Robertson will send out a text and/or email of the location of the class. Most of the classes unless otherwise specified will start with at least a 30-minute physical fitness activity.

After orientation, parents may drop off their cadet unless they are a licensed driver and pick them up once the class is complete. If you have any questions, feel free to reach out to Deputy Robertson.
