SCOPE OF WORK

Catawba County (hereinafter "County") is requesting bids from qualified Contractors to provide the final layer of asphalt to roads located within the Magnolia Cove Subdivision, Sherrills Ford, North Carolina. In addition, Contractors will complete a 200 ft section of sidewalk within that same subdivision. A Magnolia Cove Road Improvement Project Map is attached to this Invitation for Bids as **Attachment A**.

Project Summary:

Magnolia Cove is a subdivision off North Carolina Highway 150 located in Sherrills Ford NC, with Star Drive and Loebner Court providing access into the subdivision. The scope of this project will consist of approximately 85 homes or lots. The roads in the subdivision were constructed in or about 2020 and are publicly dedicated. The contractor will be finishing the paving of the subdivision to bring the neighborhood roads up to North Carolina Department of Transportation (NCDOT) standards with the goal that the roads will be accepted into NCDOT's secondary road maintenance program. The roads have the first layer of asphalt and are waiting on the final layer. The main access roads into the subdivision are Star Drive which is approximately 900 feet long and Loebner Court, which is approximately 440 feet long. Stellata Loop is approximately 318 feet long and connects Star Drive and Loebner Court. Kobus Court is accessed by Star Drive and Loebner Court, is approximately 550 feet long and ends in a Cul-De-Sac. Anise Circle is accessed by Star Drive and is approximately 640 feet long and ends in a Cul-De-Sac. All the roads have a 50-foot Right-of-Way.

Road Improvements:

All the subdivision roads surface will require overlaying 1.5 inches of Asphalt (Design mix S9.5C). The contractor will be responsible for providing all tools, equipment and materials to complete the work. Proper traffic control measures and signage will be necessary to control access during construction. Access to all houses and active construction sites will be maintained throughout the duration of the project. The contractor is also responsible for pulling asphalt cores every 1,000 feet of travel lane and tested per NCDOT specifications as presented in NCDOT Quality Control Manual (NCDOT QMS Manual Section 10).

Catawba County and Contractor are each referred to herein as a Party and collectively, the Parties.

WITNESSETH THAT Catawba County and Contractor in consideration of the mutual covenants hereinafter set forth agree as follows:

ARTICLE 1. CONTRACT DOCUMENTS. The Contract Documents which comprise the Agreement between Catawba County and the Contractor are attached hereto, made a part hereof and consist of the following:

1. This Agreement
2. Attachment I Certificate of Insurance
3. Attachment II Payment and Performance Bonds (if required)
4. Attachment III Invitation for Bids
5. Attachment IV Contractor Bid Response
6. Attachment V Purchase Orders
7. Attachment VI All signed Change Orders
8. Attachment VII County’s signed Acceptance of Completion of Services

ARTICLE 2. SCOPE OF WORK. Contractor shall furnish and deliver all of the materials and perform all of the work described in the Contract Documents (“Work”), except as specifically indicated in the Contract Documents to be the responsibility of others, the same being generally described as follows:

To provide repairs and alternations to the roads located within the Bay Pointe Subdivision in Catawba County, as described in County’s Invitation for Bids (collectively, the “Work”).

All Work must meet all current NCDOT standards and specifications. All Work required by this Contract shall be completed within 45 days from issuance of the Notice to Proceed (said period being the “Time of Completion”). Time is of the essence in completion of Work under this Contract.

ARTICLE 3. PAYMENT / CONTRACT PRICE. The Contract Sum is _____ to furnish all necessary materials, equipment, machinery, tools, apparatus, means of transportation and labor necessary to complete the construction of the above titled Project in full and complete accordance with the plans, specifications and contract documents to the full and entire satisfaction of Catawba County with a definite understanding that no money will be allowed for extra work without written consent of the County.

Payment to Contractor for the Work is expressly conditioned upon availability of funds, and upon the actual receipt of funds, from appropriated revenue sources. If funds are insufficient to meet expected performances hereunder due to non-appropriation or reduction of funds by the source, services to be provided hereunder may be adjusted by the parties, in writing, to conform with the funds which are actually available. If such adjustment is impractical or would defeat the intent or purpose of this Agreement, same may be terminated accordingly without penalty.

ARTICLE 4. PAYMENT AND PERFORMANCE BONDS

1. PAYMENT BOND: If required, the Contractor is required to submit a Payment Bond in the amount of 100% of the Contract Sum, conditioned upon the prompt payment for all labor or materials for which Contractor or a subcontractor is liable.
2. PERFORMANCE BOND: If required, the Contractor is required to submit a Performance Bond in the amount of 100% of the Contract Sum, conditioned upon the faithful performance of this Agreement in accordance with the Plans, Specifications and conditions of the Bid and Contract Documents.

ARTICLE 5. LIQUIDATED DAMAGES. If the Contractor shall neglect, fail, or refuse to complete the work within the time herein specified, then the Contractor does hereby agree, as a part of the consideration for the awarding of this contract to pay to the County the sum of \$500.00 per day, not as a penalty, but as compensation to the County for delays, damages, and additional expenses for such breach of contract as hereinafter set forth, for each and every calendar day that the Contractor shall be in default after the time stipulated in the contract for completing the work. The said amount is fixed and agreed upon by and between the Contractor and the County because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages the County would in such event sustain. It is further agreed that time is of the essence to each and every portion of this contract and to the specifications wherein a definite portion and certain length of time is fixed for the performance of any act whatsoever; and where, under the contract, any additional time is allowed for the completion of any work, the new time limit fixed by such extension shall be the essence of this Contract.

ARTICLE 6. APPLICATION FOR PAYMENT. Contractor shall submit Applications for Payment when all work has been completed. Applications for Payment will be reviewed and approved by Catawba County.

ARTICLE 7. TERMINATION. This Agreement may be terminated:

1. By County, upon thirty (30) days written notice, if county, state or federal funds are withdrawn or diminished.
2. By County, upon ten (10) days written notice in the event of Contractor's failure (1) to provide the Services or (2) to otherwise comply with its obligations hereunder.

3. By Contractor upon thirty (30) days written notice in the event of County's breach of its obligations hereunder.
4. By mutual agreement or by either Party upon giving at least thirty (30) days written notice to the other.

2. All materials shall be new and of quality specified, except where reclaimed material is specifically authorized herein and approved for use. Workmanship shall at all times be of a grade accepted as the best practice of the particular trade involved, and as stipulated in written standards of recognized organizations or institutes of the respective trades except as exceeded or qualified by the specifications.
3. Products may generally be specified by ASTM (formerly known as American Society for Testing and Materials) or other reference standard and/or by manufacturer's name and model number or trade name. When specified only by reference standard, the Contractor may select any product meeting this standard, by any manufacturer. When several products or manufacturers are specified as being equally acceptable, the Contractor has the option of using any product and manufacturer combination listed.
4. Contractor shall be aware that the cited examples are used only to denote the quality standard of product desired and that they do not restrict bidders to a specific brand, make, manufacturer or specific name; that they are used only to set forth and convey to bidders the general style, type, character and quality of product desired; and that equivalent products will be acceptable. Substitution of materials, items or equipment of equal or equivalent design shall be submitted to the architect or engineer for approval or disapproval; such approval or disapproval shall be made by the architect or engineer prior to the opening of bids.
5. The Contractor shall supervise and direct the Work using the Contractor's best skill and attention. 8. The Contractor shall employ a competent superintendent and necessary assistants who shall be in attendance at the Project site during performance of the Work. The superintendent shall represent the Contractor, and communications given to the superintendent shall be as binding as if given to the Contractor. Important communications shall be confirmed in writing upon request.
9. The Contractor shall provide the County access to the Work in preparation and progress wherever located.
10. The Contractor shall obtain the required permits, if required, give all notices, and comply with all laws, ordinances, codes, rules and regulations bearing on the conduct of the Work under this Contract. If the Contractor observes that the drawings and specifications are at variance therewith, he shall promptly notify the County in writing. If the Contractor performs any Work knowing it to be contrary to such laws, ordinances, codes, rules and regulations, and without such notice to the County, he shall bear all cost arising there from.
11. All work under this Agreement shall conform to the current NCDOT Standards and other state and national codes, local ordinances and manufacturers recommendations as are applicable.
12. The Contractor shall cooperate with the County or municipal authorities by obtaining building permits. Permits may be obtained by the Contractor at no cost to the County.

ARTICLE 9. MISCELLANEOUS

1. Entire Agreement and Amendments. This Agreement contains the entire understanding between the parties with respect to the subject matter hereof and supersedes all prior and contemporaneous written or oral negotiations and agreements between them regarding the subject matter hereof. This Agreement may be amended only in writing, which writing must be signed by both of the Parties. Each of the statements set forth in the recitals to this Agreement are hereby incorporated herein by reference as a valid representation of the Party or Parties to whom such statement relates.
2. Changes in the Work. No changes shall be made in the Work except upon written approval and change order of Catawba County. Upon request of the Catawba County, the Contractor will make changes, additions, or alterations to the Work ("Changed Work"). The cost of all Changed Work shall be the sole responsibility of Catawba County, which shall include overhead and profit, and reflected in the Change Order.
3. Assignment. This Agreement is personal to each of the Parties hereto, and neither Party may assign nor delegate any of its rights or obligations without first obtaining the written

consent of the other Party. Any purported assignment without prior written consent from the other Party shall be null and void. In the event of assignment, this Agreement shall be binding upon the successors or assigns of the parties hereto.

4. Independent Contractor. The relationship between the Parties to this Agreement shall be that of independent contractors, and no Party shall be construed to be the agent, partner, employee, or joint venturer of the other Party to the Agreement. The Parties shall not exercise control or direct the manner in which other Parties perform their duties hereunder except to assure compliance with this Agreement. The Parties further agree that Contractor is not eligible for any County employee benefits whatsoever and does not possess any rights or privileges as generally established for the County's employees.
5. Hold Harmless and Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the County, and County's consultants, and agents and employees of any of them from and against claims, damages, economic losses and expenses of any kind (including but not limited to fees and charges of engineers, attorneys, and other professionals and costs related to court action or arbitration), arising out of or resulting from performance of the Work under this Agreement, provided such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) including loss of use resulting therefrom, caused in whole or in part by negligent acts or omissions of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable unless caused in whole or part by the negligence of County.
6. Insurance. The Contractor shall not commence work until he has obtained all insurance required, and the County has approved such insurance, nor shall the Contractor allow any subcontractor to commence work on his subcontract until all similar insurance required of the subcontractor has been obtained.

Contractor will carry and maintain, throughout the period of this Agreement, at Contractor's sole expense, general liability insurance of no less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate; and worker's compensation insurance providing statutory limit coverage, plus Employer's Liability coverage with limits of not less than \$1,000,000 per accident and \$1,000,000 for each employee for injury by disease. Defense costs shall be in excess of the limit of liability. Contractor shall also provide automobile insurance coverage, when applicable, for any owned, hired, or rented vehicle with a limit of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage liability and a limit of not less than \$25,000 for medical payment coverage. If employees, agents or representatives of Contractor, including specifically independent contractors under contract to Contractor, transport County's clients in their personal vehicles, Contractor will ensure that any such transportation service is covered by insurance, whether it be the insurance of Contractor or of the vehicle County, and that vehicles are maintained in a condition that imposes no apparent risk to the clients and/or to the public.

Catawba County shall be named as an additional insured under Contractor's automobile and general liability insurance company. In the event of a loss arising out of, or related

to the Contractor's services performed under this Agreement, Contractor's Liability insurance shall be primary (pay first) with respect to any other insurance which may be available to the County, regardless of how the "other insurance" provisions may read.

Certificates of such insurance shall be furnished by Contractor to County at the time of, or before execution of this Agreement, and annually thereafter for any extended term hereof. Such certificates shall require the insurer issuing the underlying policy to provide County with a minimum of thirty (30) days' notice prior to modification or cancellation of said policy. The maintenance of such insurance will not in any manner affect Contractor's obligation to indemnify County as described herein. Contractor agrees that such insurance shall be primary, regardless of any other insurance coverage which County may procure for its own benefit.

7. Warranty. The Contractor shall guarantee and warrant all labor and material for the project against defect due to faulty material, workmanship and/or negligence for a period of one (1) year from the final inspection of the project.
8. Third Party Beneficiary. The Parties do not intend to confer any rights, privileges or benefits upon any other individual(s) or entity(ies), not signatories to this Agreement, arising out of this Agreement. The Parties agree that nothing in this Agreement shall be construed or interpreted to confer any such rights, privileges or benefits upon any individual or entity not a signatory to this Agreement.
9. Costs and Taxes. Except as otherwise specifically provided herein, each Party shall bear its own costs and expenses incurred in connection with the performance of its obligations hereunder. Each Party shall be responsible for payment of any and all federal, state, local or other taxes which may arise or be imposed as the result of its performance under this Agreement or as the result of the receipt of any compensation or other funds under this Agreement or in connection with the transactions contemplated hereby, if any. This Section shall survive termination of this Agreement.
10. Notice. Any notice required or permitted to be given hereunder shall be in writing and shall be deemed to have been given when personally delivered or three (3) days after being mailed by certified mail, return receipt requested, postage prepaid, to the following addresses, or at such other address as either party may designate in a manner in compliance with this Section:

To County:	To Contractor
Catawba County Attn: Catawba County Manager 25 Government Drive P.O. Box 368 Newton, NC 28658	

Each party shall keep the other Party informed of its current address at all times.

11. Applicable Law, Venue, and Service of Process. This Agreement has been entered into in the State of North Carolina, County of Catawba, and all questions with respect to the

construction of this Agreement and the rights and liabilities of the Parties shall be governed by the laws of the State of North Carolina. The Parties agree that exclusive venue for the bringing of any action concerning this Agreement shall be in the state or federal courts having jurisdiction in Catawba County, North Carolina and that service of process may be made upon either Party by certified mail, return receipt requested, postage prepaid to the Party's address as set forth herein or such other address as the Party may designate in writing received by the other Party.

12. Equal Employment Opportunity. Contractor shall comply with all federal and state laws relating to equal employment opportunity. 14. Debarment and Suspension. Contractor certifies that neither it nor its principals or affiliates are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation by any federal department or agency.
15. Domestic Preferences for Procurements. As appropriate, and to the extent consistent with law, Contractor should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States. This includes, but is not limited to iron, aluminum, steel, cement, and other manufactured products.
16. Force Majeure. If Contractor's performance of Work under this Agreement is delayed by a *force majeure*, Contractor shall immediately, in any case no later than ten (10) days from the time when Contractor becomes aware of the cause of such delay, notify County of the delay, the reasons therefore and the anticipated duration of any such delay. Contractor's delay in the performance of the Work shall be excused during the duration of such *force majeure*.
17. Severability. If any provision, or portion thereof, of this Agreement shall for any reason be adjudged by any court of competent jurisdiction to be illegal, invalid or otherwise unenforceable, such judgment shall not affect, impair or invalidate the remainder of this Agreement but shall be limited in its operation to the provision of this Agreement directly involved and only the illegal, invalid or unenforceable provision shall be deemed struck.
18. Waiver. The failure by the Party at any time to require performance by the other Party of any provision hereof shall not affect in any way the right to require such performance at a later time nor shall the waiver by either party of a breach of any provision hereof be taken or be held to be a waiver of such provision.
