The contractor shall consider in their Bid all of the permanent and temporary utility facilities in their present or relocated positions, whether or not specifically shown on the plans or covered in the project Special Conditions. It will be the Contractor's responsibility to anticipate any additional cost to him resulting from such utility work to reflect these costs in their Bid for the various items in the Contract.

The failure or omission of any Bidder to thoroughly examine and familiarize himself with the Contract Documents or to receive or examine any form, instrument or document or to visit the site and acquaint himself with the conditions there existing shall in no way relieve any Bidder from any obligation in respect to their Bid.

No verbal agreement or conversation with any officer, agent or employee of the County, either before or after the execution of the Contract, shall affect or modify any of the terms or obligations therein.

AWARD OF CONTRACT

The award of the Contract will be made to the lowest responsive, and responsible bidder, who, in the opinion of the County, is qualified to perform the work required and is responsible and reliable. These Bids are asked for in good faith, and awards will be made as soon as practicable, provided satisfactory Bids are received.

The County may consider informal and reject any Bid not prepared and submitted in accordance with the provisions hereof. The right is reserved to waive informalities in bidding, to reject any or all Bids, or to accept a Bid other than the lowest submitted if such action is deemed to be in the best interest of the County.

COMMENCEMENT OF WORK

Upon execution and delivery of the Contract, sample of which is attached hereto as **Attachment D**, a project schedule, and the required insurance certificates and policies by the Contractor to the County, the Contractor will be notified to proceed with the work of the Contract. It is further agreed that time is of the essence to each and every portion of this contract and to the specifications wherein a definite portion and certain length of time is fixed for the performance of any act whatsoever; and where, under the contract, any additional time is allowed for the completion of any work, the new time limit fixed by such extension shall be the essence of this Contract.

When several products or manufacturers are specified as being equally acceptable, the Contractor has the option of using any product and manufacturer combination listed.
4. Each of the statements set forth in the recitals to this Agreement are hereby incorporated herein by reference as a valid representation of the Party or Parties to whom such statement relates.
2. Changes in the Work. No changes shall be made in the Work except upon written approval and change order of Catawba County. Upon request of the Catawba County, the Contractor will make changes, additions, or alterations to the Work ("Changed Work"). The cost of all Changed Work shall be the sole responsibility of Catawba County, which shall include overhead and profit, and reflected in the Change Order.
3. Assignment. This Agreement is personal to each of the Parties hereto, and neither Party may assign nor delegate any of its rights or obligations without first obtaining the written consent of the other Party. Any purported assignment without prior written consent from the other Party shall be null and void. In the event of assignment, this Agreement shall be binding upon the successors or assigns of the parties hereto.
4. Independent Contractor. The relationship between the Parties to this Agreement shall be that of independent contractors, and no Party shall be construed to be the agent, partner, employee, or joint venturer of the other Party to the Agreement. The Parties shall not exercise control or direct the manner in which other Parties perform their duties hereunder except to assure compliance with this Agreement. The Parties further agree that Contractor is not eligible for any County employee benefits whatsoever and does not possess any rights or privileges as generally established for the County's employees.
5. Hold Harmless and Indemnification. To the fullest extent permitted by law, the Contractor shall indemnify and hold harmless the County, and County's consultants, and agents and employees of any of them from and against claims, damages, economic losses and expenses of any kind (including but not limited to fees and charges of engineers, attorneys, and other professionals and costs related to court action or arbitration), arising out of or resulting from performance of the Work under this Agreement, provided such claim, damage, loss or expense is attributable to bodily injury, sickness, disease or death, or to injury to or destruction of tangible property (other than the Work itself) including loss of use resulting

therefrom, caused in whole or in part by negligent acts or omissions of the Contractor, a Subcontractor, anyone directly or indirectly employed by them or anyone for whose acts they may be liable unless caused in whole or part by the negligence of County.

6. Insurance. The Contractor shall not commence work until he has obtained all insurance required, and the County has approved such insurance, nor shall the Contractor allow any subcontractor to commence work on his subcontract until all similar insurance required of the subcontractor has been obtained.

Contractor will carry and maintain, throughout the period of this Agreement, at Contractor's sole expense, professional and general liability insurance of no less than \$1,000,000 per occurrence and \$2,000,000 annual aggregate; and worker's compensation insurance providing statutory limit coverage, plus Employer's Liability coverage with limits of not less than \$1,000,000 per accident and \$1,000,000 for each employee for injury by disease. Defense costs shall be in excess of the limit of liability. Contractor shall also provide automobile insurance coverage, when applicable, for any owned, hired, or rented vehicle with a limit of not less than \$1,000,000 per occurrence combined single limit for bodily injury and property damage liability and a limit of not less than \$25,000 for medical payment coverage. If employees, agents or representatives of Contractor, including specifically independent contractors under contract to Contractor, transport County's clients in their personal vehicles, Contractor will ensure that any such transportation service is covered by insurance, whether it be the insurance of Contractor or of the vehicle County, and that vehicles are maintained in a condition that imposes no apparent risk to the clients and/or to the public.

Catawba County shall be named as an additional insured under Contractor's automobile and general liability insurance company. In the event of a loss arising out of, or related to the Contractor's services performed under this Agreement, Contractor's Liability insurance shall be primary (pay first) with respect to any other insurance which may be available to the County, regardless of how the "other insurance" provisions may read.

Certificates of such insurance shall be furnished by Contractor to County at the time of, or before execution of this Agreement, and annually thereafter for any extended term hereof. Such certificates shall require the insurer issuing the underlying policy to provide County with a minimum of thirty (30) days' notice prior to modification or cancellation of said policy. The maintenance of such insurance will not in any manner affect Contractor's obligation to indemnify County as described herein. Contractor agrees that such insurance shall be primary, regardless of any other insurance coverage which County may procure for its own benefit.

7. Third Party Beneficiary. The Parties do not intend to confer any rights, privileges or benefits upon any other individual(s) or entity(ies), not signatories to this Agreement, arising out of this Agreement. The Parties agree that nothing in this Agreement shall be

Attachment D

construed or interpreted to confer any such rights, privileges or benefits upon any individual or entity not a signatory to this Agreement.

8. Costs and Taxes. Except as otherwise specifically provided herein, each Party shall bear its own costs and expenses incurred in connection with the performance of its obligations hereunder. Each Party shall be responsible for payment of any and all federal, state, local or other taxes which may arise or be imposed as the result of its performance under this Agreement or as the result of the receipt of any compensation or other funds under this Agreement or in connection with the transactions contemplated hereby, if any. This Section shall survive termination of this Agreement.
9. Notice. Any notice required or permitted to be given hereunder shall be in writing and shall be deemed to have been given when personally delivered or three (3) days after being mailed by certified mail, return receipt requested, postage prepaid, to the following addresses, or at such other address as either party may designate in a manner in compliance with this Section:

This Agreement has been entered into in the State of North Carolina, County of Catawba, and all questions with respect to the construction of this Agreement and the rights and liabilities of the Parties shall be governed by the laws of the State of North Carolina. The Parties agree that exclusive venue for the bringing of any action concerning this Agreement shall be in the state or federal courts having jurisdiction in Catawba County, North Carolina and that service of process may be made upon either Party by certified mail, return receipt requested, postage prepaid to the Party's address as set forth herein or such other address as the Party may designate in writing received by the other Party.
11. Equal Employment Opportunity. Contractor shall comply with all federal and state laws relating to equal employment opportunity. Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. Contractor's delay in the performance of the Work shall be excused during the duration of such *force majeure*.
16. Severability. If any provision, or portion thereof, of this Agreement shall for any reason be adjudged by any court of competent jurisdiction to be illegal, invalid or otherwise unenforceable, such judgment shall not affect, impair or invalidate the remainder of this Agreement but shall be limited in its operation to the provision of this Agreement directly involved and only the illegal, invalid or unenforceable provision shall be deemed struck.
17. Waiver. The failure by the Party at any time to require performance by the other Party of any provision hereof shall not affect in any way the right to require such performance at a later time nor shall the waiver by either party of a breach of any provision hereof be taken or be held to be a waiver of such provision.
18. Counterparts and Facsimiles. This Agreement may be executed in one or more counterparts each of which may be deemed an original, but all of which constitute one and the same. An executed Agreement transmitted by facsimile to the other party may be relied upon as an original and if there is any inconsistency between such facsimile and an executed Agreement subsequently received by "hard-copy," the terms contained in the facsimile shall prevail.
