

# SUPERHEROES WANTED!

Catawba County Senior Nutrition Services provides Traditional Meals on Wheels, Frozen Meals on Wheels and Seniors Morning Out programs to the seniors of Catawba County. On average, we serve 520 meals per day between our 28 Meals on Wheels routes and 5 Seniors Morning Out locations. Last year, we served 1,421 seniors and 132,185 meals in our community. We currently have a waitlist for our services and need funding to maintain our current program and expand in order to provide meals for the growing senior population in Catawba County.

Please consider sponsoring our **SUPERHERO RUN** and helping the seniors of Catawba County who report feeling happier and healthier due to our programs. Together, we can fight senior hunger one step at a time!

Event details and Registration will be available at [www.runtimeraces.com](http://www.runtimeraces.com)
