CATAWBA COUNTY PUBLIC HEALTH
NOTICE OF PRIVACY PRACTICES
This Notice is effective November 1, 2019

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

OUR LEGAL DUTY:

We are required by law to maintain the privacy of Protected Health Information (hereinafter “PHI”) about you that identifies you. This may be information about health care services that we provide to you or payment for health care provided to you. It may be information about your past, present or future health care condition. We are required by law to provide you with this Notice of Privacy Practices explaining our legal duties and privacy practices with regard to your PHI. We are legally bound to follow the terms of this Notice. In other words, we are only allowed to use and disclose health care information in the manner that we have described in this Notice.

We may change the terms of this Notice in the future. We reserve the right to make changes and to make the new Notice effective for all health care information that we maintain. If we make changes to the Notice, we will post the new Notice in our waiting area. You may contact us using the information at the end of this Notice.

USES AND DISCLOSURES OF PHI:

We use and disclose PHI about you in order to provide treatment, to obtain payment for that treatment, to operate our business efficiently, or for other legally mandated or authorized purposes. The following list and the examples shown are not exhaustive:

**Treatment:** We may use or disclose your PHI with health care providers who are involved with your health care. For example, information may be shared to determine the course of treatment that would work best for you.

**Payment:** We may use or disclose your PHI to obtain payment for services we provide to you. For example, information may be shared to prepare a bill to Medicaid or an insurance company.

**Health Care Operations:** We may use or disclose PHI in order to manage our programs and activities. For example, we may use your PHI to review the quality of services you receive.

**Disclose to Health Information Exchanges:** This facility participates in the North Carolina Health Information Exchange Network, called NC HealthConnex, which is operated by the North Carolina Health Information Exchange Authority (NC HIEA). We will share your protected health information, or PHI, with the NC HIEA and may use NC HealthConnex to access your PHI to assist us in providing health care to you. We are required by law to submit clinical and demographic data pertaining to services paid for with funds from North Carolina programs like Medicaid and State Health Plan. We may also share other patient data with NC HealthConnex not paid for with State funds. If you do not want NC HealthConnex to share your PHI with other health care providers who are participating in NC HealthConnex, you must opt out by submitting a form directly to the NC HIEA. Forms and brochures about NC HealthConnex are available in our offices and online at NCHealthConnex.gov. Again, even if you opt out of NC HealthConnex, we still will submit your PHI if your health care services are funded by State programs. Your patient data may also be exchanged or used by the NC HIEA for public health or research purposes as permitted or required by law. For more information on NC HealthConnex, please visit NCHealthConnex.gov/patients.

**Your Authorization:** Unless you give us a written authorization to do so, we cannot use or disclose your PHI for any reason except for the treatment, payment or health care operations described in this Notice. **We will not sell your information without your prior written authorization or as otherwise allowed by law.** If you give us an authorization to use your PHI or to disclose it to anyone for other purposes, you may revoke such authorization at any time. Your revocation will not affect any use or disclosure permitted by your authorization while it was in effect.

**Persons Involved in Care:** We may disclose PHI about you to a relative, close personal friend or any other person you identify (i) if that person is involved in your care, and (ii) if the information is relevant to your care. If the patient is a minor, except in limited circumstances, we may disclose PHI about the minor to a parent, guardian or other person responsible for the minor.

**Required by Law:** We may disclose your PHI if in our reasonable judgment there is an eminent danger to the health or safety of you or some other individual.

**Abuse, Neglect or Domestic Violence:** We may disclose PHI to a government authority that is authorized by law to conduct an investigation, if we reasonably believe that you may be a victim of abuse, neglect or domestic violence.

**Public Health Activities:** We may disclose PHI about you for Public Health activities: for example, activities related to investigating exposure to communicable diseases, problems with medical products, or reporting child abuse and neglect.
