Worklife Wednesday: Resumé Tune-up
Wednesday, December 4 from 10 am-2 pm
Book a 30-minute, individual session to create or update your resumé by calling 828.465.8665.

Tech Connect Christmas
Thursday, December 5 at 6 pm
We'll make a 3-D-printed cookie cutter that we'll then turn into an ornament using scrapbook paper or a photo that you bring to class. Registration required: 828.465.8665.

Meet Libby
Monday, December 9 at 11 am
Libby is a free, user-friendly way to find 1000s of ebooks and audiobooks on the NC Digital Library. Learn how to download the app, sign in, and download a title or two. Bring your own tablet or phone so we can help set it up and have you ready to go by the time you leave.

3-D Basics
Tuesday, December 17 at 5 pm
Learn the foundations of 3-D printing: what it is, how it works, and where you can find resources to discover, create, and share 3-D printable files.

Create a Vinyl Sticker
Wednesday, December 18 at 5 pm
Design your own vinyl sticker using our Silhouette Curio digital cutter. Choose from a variety of fonts, and import your own image using the Silhouette Studio. Stickers can be up to 6" x 6". Registration required: 828.465.8665.

Tinkercad 101: Build a Snowflake
Thursday, December 19 at 4 pm
Learn to create 3-D files using free online computer-aided design (CAD) software. Participants will make a simple snowflake using geometric shapes and letters that can be printed using the 3-D printer. Registration required: 828.465.8665.

GCFLearnFree.org
Wednesday, December 4 at 10 am
This platform provides totally free online education with more than 190 topics covering everything from Microsoft Excel and social media to graphic design and job skills. Come see how to make use of it!

Learn to Easily Use Online Resources
Wednesday, December 18 at 10 am
Learn to use the library's online catalog and manage your online account. We'll also review the library's many online resources, like Gale Legal Forms, NC LIVE, and GCFLearnFree.org.

We will align ourselves with the community by meeting current and anticipating future needs of Catawba County with vibrant, modern, and relevant information, services, technology, and programming to empower all in our community.
