

SUMMER LEARNING 2018

HEADLINE ACTS

Green Bean Players

The Commedia Cinderella

The touring group of the Green Room Community Theatre will perform their hilarious version of the fairytale classic, complete with fun costumes and crazy hijinks.

Jon Sundell

Rockin' the Library

Stories, songs, slides, balloons, and books! Jon incorporates music and multicultural stories throughout this program. Each child receives a balloon animal.

Schiele Museum of Natural History

Sounds of Nature

Learn the variety of sounds made by animals and why they make them. Live animals will be a part of this program!

Hickory Music Factory

Percussion Experience

Hickory Music Factory will set up a drum circle, and children will have the opportunity to learn about African drumming and participate themselves.

Something for Everyone All Summer Long!

Note: These events are specific to the Conover Branch Library. For a system-wide list, please see our monthly newsletter or the other branch-specific flyers.

Baby Bounce

This sweet, simple story time for our youngest learners (birth – 24 months) lasts approximately 20 minutes. Playtime follows.

Catawba Valley Writers Club

Local writers discuss, evaluate, and share their works at this monthly meeting.

Music & Sound Coding

Learn how computer programming is used to create music, including DJ mixing, movie sound effects, and music composition. Please register.

Pitfalls of Rocky Finances

Topics will cover improper debt management, lack of estate planning, buying advice over the internet, and exit and tax planning strategies. Meets at Neighbors Network.

Ready to Learn Storytime

Songs, sensory play, crafts, and stories designed to prepare your preschooler to learn.

Rock Painting

We'll decorate rocks and hide them for others to find! Materials supplied. No need to register.

Rock Painting and Stacking

We'll decorate rocks and then work together to balance as many as we can. Ages 13-18.

Rock Someone's World: Birthday Cards

Make a birthday card for a child in the foster care system. Supplies and examples are provided.

Rock Your Plants

Learn about plant science and design a recycled planter for your home. For ages 6+.

Social Security Planning

Learn more about the rules, strategies, and adjustments that could make a real difference for you. Meets at Neighbors Network.

Songwriters Workshop

Discover the many ways you can take to create your own masterpiece. Bring your ideas, instruments, and in-progress writing.

STEAM: Music and Water

Learn about the science behind sound waves and experiment with different mediums. Ages 6+.

STEAM: Percussion

We'll make our own percussion instrument and participate in music-related activities. Recommended for ages 6+. Please register.

Summer Learning Celebration Party

Turn in your completed reading log, enjoy ice cream, and participate in an augmented reality activity where you can watch coloring sheets come to life. You can also get a temporary tattoo that you can turn into a hologram!

Teen Disney Tunes

Test your Disney music knowledge against others and decorate a mug to keep. Please register.

Teen Vocal Visualizer

Engineer a vocal visualizer to actually see sound! Then create a cool laser light show. Ages 13-18.

catawba county
library system

Summer Learning is generously supported by the Friends of the Library.
