****IMPORTANT INFORMATION FOR MANUFACTURED HOME OWNERS****

NCGS 105-273(13) requires that all manufactured homes (singlewides, doublewides and triplewides) be classified and listed for tax purposes as personal property unless all of the following requirements are met: moving hitch, wheels and axle removed; placed upon a permanent foundation; and being a residential structure on land owned by the owner of the manufactured home. If the manufactured home meets all these requirements, it may be considered real property. If your manufactured home meets these requirements, please contact our office for further instructions.

The manufactured home you were billed for last year has been pre-printed on the front of this form. Please verify that the information is correct, list any other personal property items you may have, sign and return to the tax office by February 1, 2021 to avoid a late list penalty.

The **Elderly/Disabled Homestead Program** provided in NCGS 105-277.1 allows an owner of a home or mobile home who is at least 65 years of age or older, or totally and permanently disabled, and whose total income for the calendar year immediately preceding did not exceed thirty-one thousand five hundred dollars (\$31,500) to apply for an exclusion. This exclusion will remove either twenty-five thousand dollars (\$25,000) or 50 percent of the County's assessed value of your home or mobile home and lot up to (1) acre of land, whichever is greater. Application must be made **no later than June 1, 2021**. If you are receiving the exemption, you **must annually list** your mobile home. You **do not** have to re-apply for the exemption **as long as** you still meet the income and program requirements. You **must** report to the County Assessor if you no longer qualify. Failure to do so could result in criminal action. If this is your first time applying, you **must** contact the Tax Office for a proper form or print a form from the website listed at bottom of page.

The **Circuit Breaker Deferment Program** as provided in NCGS 105-277.1B defers a portion of the property taxes on the appraised value of a permanent residence owned and occupied by a North Carolina resident who has owned and occupied the property at least five years, is at least 65 years of age or is totally and permanently disabled, and whose income does not exceed forty-seven thousand two hundred fifty dollars (\$47,250). If the owner's income is thirty-one thousand five hundred dollars (\$31,500) or less, then the portion of property taxes imposed on the residence that exceeds 4% of the owner's income may be deferred. If the owner's income is more than thirty-one thousand five hundred dollars (\$31,500) but less than or equal to forty-seven thousand two hundred fifty dollars (\$47,250), then the portion of the property taxes on the residence that exceeds 5% of the owner's income may be deferred. The deferred taxes become a lien on the residence and the most recent three years of deferred taxes preceding a disqualifying event become due with interest upon one of the following disqualifying events: 1) the owner transfers the residence; 2) the owner dies; or 3) the owner ceases to use the property as a permanent residence. Multiple owners of a permanent residence must all qualify for the Circuit Breaker Program before a deferment of taxes will be allowed. You must apply for the opportunity to defer property taxes each and every year that you wish to defer taxes. The application may be obtained from the Tax Office or printed from the website listed at bottom of page. It must be filed with the County Assessor by **June 1, 2021**. **NOTE: An owner who qualifies for both the property tax Homestead Exclusion and Circuit Breaker Deferment may elect to take only one of these forms of property tax relief.**

The **Disabled Veteran Program** provided in NCGS 105-277.1C allows a permanent resident of Catawba County who is 100% permanently and totally disabled that is service-connected or receives benefits for specially adapted housing and who is either: honorably discharged or discharged under honorable conditions or the surviving spouse, who has not remarried, of a qualifying disabled veteran to apply for an exclusion. This exclusion will remove up to forty-five thousand dollars (\$45,000) of the County's assessed value of their residence and up to 1 acre of land. This one-time application may be obtained from the Tax office or printed from the website listed at bottom of page. It must be filed with the County Assessor by **June 1, 2021**.
